Sir:

Further to a routine check of the Patent Application Information Retrieval (PAIR) system, it appears that the system does not reflect the filing of an RCE on April 24, 2007. A copy of the RCE is in the Image File Wrapper, and is not again included. As such, it is respectfully requested that the system status be updated to reflect the RCE to prevent further examination delay.

Respectfully submitted,

STEIN, MCEWEN & BUI, LLP
